

## Next Steps

Continuing the green spine coming from Little Venice

Our plans are still evolving, and we want to take your comments on board at this stage before coming back to you in mid March with final proposals.

Please get your feedback to us before the end of February by going to our website [balticwharfpaddington.co.uk](http://balticwharfpaddington.co.uk).

You can also get in touch by emailing [info@balticwharfpaddington.co.uk](mailto:info@balticwharfpaddington.co.uk) or calling us on 0800 319 6185.

There will be another opportunity for you to give further comments on the amended scheme in March before we submit a planning application later in the year.

Unfortunately, due to COVID-19 we are unable to hold a conventional exhibition event at this stage. However, we will be holding an **online Q&A session between 6pm and 7pm on Wednesday 10 February 2021** to give you the opportunity to ask questions of the team who have put the plans together. If you would like to take part, please visit the website above for details. We will have another one of these sessions in March to review the final scheme.

Model of the scheme
